All the new grads will have their pictures taken and be offered a tour of Science Hall. During the tour, we will be making a stop in the Geography Library to show you where you will need to go to arrange a detailed tour of the Geography library and find out how to get a FREE copy card.

Let's not forget the Science Hall tradition of making a trip to the Union Terrace to study Wisconsin cultural geography or maybe some good old Beer n' Loafing after the orientation. Hope to see you there!
