Thursday 1pm – 3pm (Science Hall Rm. 380)

Lab 302

Wednesday 6pm – 8pm (Science Hall Rm. 380)

Teaching Assistant

Jian Liu

426 Science Hall

office phone: 262-6300

jianliu@wisc.edu

Office Hours (held in Rm. M376):

Mon. 4-5pm

Wedn. 4-5pm

Or by appointment

Policies and Other Notes

1. Please come to lab! This is where you'll get the most help from me and your fellow students. Let me know ahead of time if/when you need to attend the other lab section or will miss your lab section.
2. Lab assignments are due *at the beginning of your lab section* on the due date. The late penalty is 10% per day. Good communication is important--let me know in advance if you think you will miss a deadline.
3. The computer lab in Rm. M376 is open for completing assignments outside of regular lab/office hours (Rm. 380 is an instructing lab.)
4. Group collaboration on lab projects is encouraged, however all students must turn in their own work. Plagiarism will not be tolerated.
5. Expect lab assignments to be time consuming (this is the nature of good cartographic design work...). Use your time during lab wisely!
6. Save your work regularly AND back it up in *multiple* places (e.g., USB 'thumb' drive, CD, your own hard drive)!
7. 'Version' your saved files (e.g., lab1_v4_Sept18.ai). There will be a time when you will want an old version back...
8. Consider buying: 1) USB thumb drive for storing and transferring files (128MB or larger), 2) Adobe CS3 (\$199 through DoIT-WISC).
